Permanent Address:
704 3rd Avenue
Parkesburg, PA 19365

Local Address:
506 East Oglethorpe Avenue
Savannah, GA 31401

Objective:

Art is not just a means of expressing one's self, but a way to convey a conceptual idea or view that may not be easily conveyed through words. Words are limited and not enough to describe our experiences. I believe art is a means for the viewer to better understand some of the complexities and subtleties that the world has to offer.

Education:

Bachelor of Fine Arts in Visual Effects (Anticipated: May 2010)
Savannah College of Art and Design, (SCAD), Savannah, Georgia
